

Department: Sales (Showroom)

Job Description: Sales Support Coordinator

Sales Support Coordinator - Showroom

Job Description:

Section I. General Overview & Reporting:

The Sales Support Coordinator is responsible for providing the behind-the-scenes support to our inside and outside team of Lighting Sales Consultants. This involves setting up and tracking all projects related to supplying lighting, and associated products to our customers' construction or remodeling projects. This also includes coordinating with the lighting sales consultants on quotes, proposals, sales orders, tasks, statuses, and deadlines, executing as required, ensuring steps are not missed and deadlines are being met. May also provide backup sales assistance in the showroom when sales consultants are unavailable. This position reports to the GM of the showroom/retail facility.

Section II. Duties & Areas of Responsibility:

The primary duties of the Sales Support Coordinator consist of, but are not limited to, the following:

- Track all projects (project data, statuses, updates, etc.)
- Work w/lighting sales consultants to stay on top of projects
- Assist lighting sales consultants in the preparation of quotes, proposals, sales orders, and coordination with material deliveries to meet construction deadlines
Provide showroom sales assistance to project clients when lighting sales consultant is unavailable
- Identify gaps in project timelines
- Notify lighting sales consultants regarding upcoming deadlines during the life of the project
- Proactively escalate issues if/when time markers are not tracking to deadlines
- Change order follow up – assist the team in identifying missing change orders
- Follow up with appropriate contacts to expedite return of missing change orders, to minimize risk of delayed billing or collection
- Track and follow up on Lien Releases (especially conditional waivers) to projects' expected financial goals
- Follow up on projects w/30 day terms via calls and emails
- Create and maintain New Project Checklist
 - Create checklist (capturing all steps from start to finish), and modify as needed
 - Assist with gathering new project information internally and externally
 - Ensure all required documentation/information is gathered and distributed to all parties involved in the project
- Set up project in the system (P21) capturing all billing data, tax info, contacts, etc.
- Ensure billing can begin at time of shipment
- Ensure payment of cash sale transactions, and accurate recording in the system
- Develop and maintain relationships with internal/external customers and vendors
- Participate in project meetings and project site meetings, where applicable
- Other duties, as assigned
